PROFILE

I am Fazina Mukhtar, a motivated 6th-semester Software Engineering student with a strong foundation in front-end development and a keen interest in building clean, responsive, and user-focused web interfaces. I am proficient in HTML, CSS, JavaScript, and modern UI design principles, with hands-on experience gained through academic projects. I am eager to contribute my technical skills, attention to detail, and strong learning mindset in a professional internship environment while continuing to grow as a software engineer.
